Well

Here
Hi-
Um
Do you come here often ?

Yeah, this place is close from the studio.
I see.
So, yeah
D d you tell your fr ends by any chance ?
? About what?
that you meet me everyday
No
Hmm
In fact my fr end kes you very much
But I couldn't tell her because I felt I was stealng you

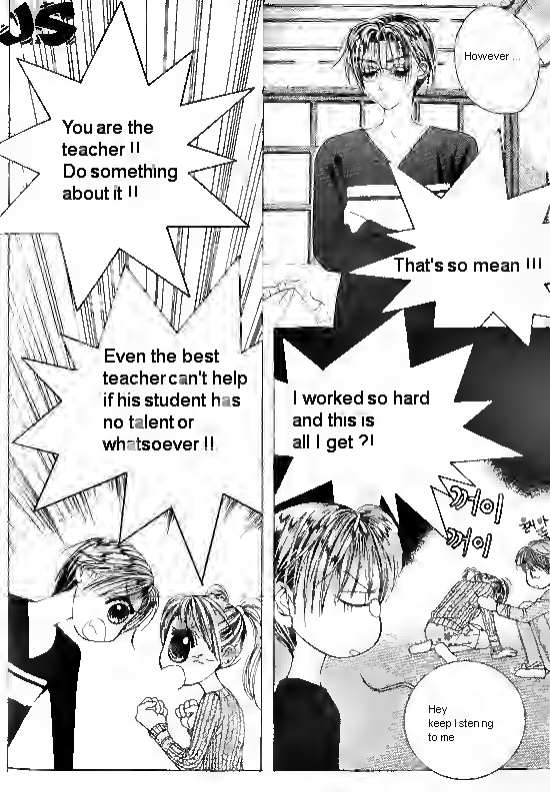
JS
Do you...
I am being selfish ?
No
I am rather thankful that you don't treat me like a jewelry
Jewelry ?
Yeah, once you wear it you want to show it to others
What ?!

Bequet
What are you saying ?!
I've never thought you like that !
I feel relaxed when I am with you
Why is that ?

Pil Lip . . .
JS
So funny
Have you heard of th s ?
It s that funny ?

Do you know what the writer said ?
드리 드리
Long ago there was a writer
One day someone came to visit the writer and asked him to evaluate his story
He said, "You will have to use a gun in order to wake up sleeping viewers! you idiot
After reading it all, the writer told him to change the weapon that was used in the last scene, which was a suicide to a gun
The wannabe replied 'Would it be better that way ?

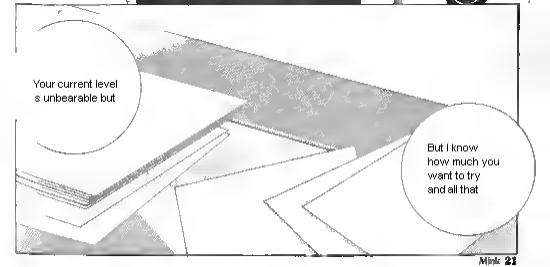
JS
In your case, a gun won't work. I am not even sure a nuclear bomb will work.
May I suggest giving up and finding different path ? Sooner the better. don't waste your time.
Hey you don't have to be so harsh
That's



However...
That's so mean !!!
I worked so hard and this is all I get ?!
Hey keep listening to me
You are the teacher !! Do something about it !!
Even the best teacher can't help if his student has no talent or whatsoever !!

I am going to hang myself.
Listen !!
Listen to me!!
Why are you crying with her ?!!
I was told that as well

I was told I ke that about 2 years ago from some pro
Well, I wasn't as bad as you though



Your current level s unbearable but
But I know how much you want to try and all that

Although
It w ll be harder
for you
If you don't
want to g ve
up
Let s keep
on try ng
Wow

JS
PI
PILIp
d d you hear ?
Just now
KKyaac!
PI.PILp...?
Leave h m be
She' s asleep
He thought he fa nted
H s schedule
has been t ght
And h s
fans are
hard on
h m

Do you know what people like you do to him ?
They scratch his car They steal his belongings
I've never done anything like that
You have no idea how hard it is for him to go on
What are you doing ?
Cleansing
He should thank me for taking care of his skin

When I didn't, his makeup was messed up and he got yelled at by his manager.
Unlike your tone, you take care of him well.
What ?! You called me because you left your manga book in washroom ?! Do you think I bought this cellular phone for that ?!
They do look like friends now though . . .
He always seemed to yell at him

Are you ready ?
What
Where s your home ?
Why s he so kind all the sudden ?
It s ok I w ll go home by myself
Don't bother

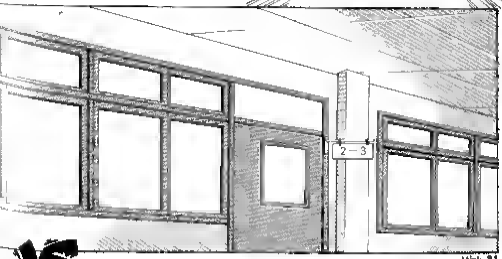
Here
Huk - !
You don't behave like a writer.
Just hold tight.
You are accelerating on purpose, don't you - ??!!
까
아
아
아

Let me get off
I am gonna walk from here
Th s s noth ng
Do you know what kind of mental attitude a scenar o writer should have ?
Th nk ng of a story 24 hours a day ?
No

Your work has to be a part of your daily life
Just like that it has to be buried in your routine
Wa - i

For that
do the homework
I g ve you s ncerely
When Ye Myeong
talks about scenar o
Ok
he sh nes
Thanks for
tak ng me home
I
w ll be l ke that
one day

All right !
I will try my best !!



2 - 3

Ah !
so sorry
It s all right
Ths s how our class s lke lately

아!
After the incident
Ye Myeong showed his true face.
Those who did not like the idea of a loner being the strongest one in the class challenged him.
Since I am on it, I will finish you all!
From that point guys' attitude towards him completely changed

JS
And after he changed his glasses,
the girls began to see him differently as well
Hey come on!
Ah ok!
Um He Ra

Are you close to Ye Myeong ?
How is he? tell us.
I felt "Is this how it goes in reality?
Well, you could say that.

Agreed on going to Ye Myeong's home together since she goes to his house after school.
Ah!
He Ra s radar
It s PILp!
휘청
he looks dangerous

You were about to collapse
Ah
P l L p you look so t red
You should have sk pped the school
I am all r ght Th s s noth ng

I am ok.
I am ok~
I am ok
I am worried
Hey ~ !!
I told you I hate beans !
he's at it again...
Does he care about his friend at all ?

Just eat !!
It's good for you !!
Is P I L p
really ok ?
About 7 PM
today, near
OO studio ...

there was an
accident that
Pil Lip Lee's car hit a high
school girl.
What - ?!

Hello
I am He Ra Kang
I look down ?
Well, something
horrible happened
My deal P I L p

acc dent
I am at the
hospital where
the wounded
g r l s hospitalized
Ye Myeong
brought me here
secretly

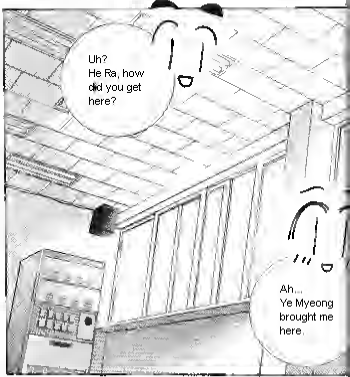
How d d it go ?
Where s P L p ?
Sssh follow me quetly
Wait here
I w ll br ng P HL p
덩그라니
?

Does be ng a popular performer make you th nk you can do anyth ng ?
What are you go ng to do f my daughter becomes d sabled?
Hey !
What do you th nk you are do ng ?
Talk to the company f you want to settle it !

JS
Pil Lip -
God damn
What is Yeong Jun (Pil Lip s manager) do ng ?

I love you -

He means "Thanks".



Exhausted smile...
Are you ok?
Sure, I am.
Even though you said so,
It really hurt me
your face looked so tred

There is no time to fool around.
Before people and the media come, we must leave
When d d you get that wound?
Ah I was asleep when the acc dent occurred
When I woke up it was l ke th s
What ?
Then you d dn't even do anyth ng wrong ?

People only see what they want to see
P I Lip Lee + an acc dent + fans those are all they care regardless what the real truth may be
has no dr ver l cense Please k ds don't do what he does !
That's so mean
Anyway, it's late Let me take you home
It's ok. It won't last long probably
No No

Don't be stubborn.
And I know your house is far away.
Stop the car
And let PILIp rest as soon as you can
See you tomorrow at school
Yeah
Cheer up PILp
Thanks

It s already over ten I wonder f she w ll get home safely She s such a dumb g rl
When d d you get to He Ra s house?
Ah just once when I took her home
Are you interested in her ?

Have you seen me wasting time for no apparent reason ?

Did you see the news ?
That bitch is trying to show off.
I th nk they are try ng to scam and get some money out of th s
The whole school s talking about it
Ye Myeong? Anyth ng yet ? What d d they say ?
it has gotten worse
JS

His fans have been sending threats by mails and even using shaving blades...
Because of that, the media is not on Pil Lip's side.
How about Pil Lip ?
He s gone
What ?
He doesn't p ck up the phone It s fortunate that today s ep sode was recorded one
H d ng won't solve anyth ng
He is not hiding !!
I just don't th nk that he s h d ng
Probably not
JS

Anyway I am going to leave school early to find him So
Come to my place after school ok?
Ok
Do your homework
Hm
Candy
Ah Ok
You are so dead once I find you
Since when did he like sweets ?
Anyway let s go to my spot to do the homeworks
JS

So, you come here during lunch time ?
Pil Lip . ?! Why are you here .
Well, it's not like I have elsewhere to go
And they probably wouldn't think I would be at my school. So ...
Ya... yeah but still ...
And

I somehow felt I wanted to see you
Are you ok ?
I am ... ok.
geez at me for bleed ng from nose at a time Ike th s
By the way, are you really all r ght to be here now ?

JS
Well
I have to go
soon
I just wanted to
wonder off a bit
Cheer
up
Those who like
you and care
about you are
worried about
you now
Like me?
SS Mink

Care about me ?
If so, then why are they doing this to me?
Come to think of it, it was always those who "like me" and "care about me" who made me tired.
For an example look at the situat on now
There s a b g poster of yours n my room
At the moment I got it it was before you had your debut So there weren't much of b g posters that had your mage

I coudln't sleep well. I rushed to the store hours before it would open. But then there were so many people lined up already
I probably lost more than 100 hairs. It was that hard.
And that s not all
Why
are you say ng that all the sudden ?
I tr ed to buy any items that had your p cture on
Of course my allowance was not enough I even had to l e to my mother
JS

I.....
No,
we are like that
By your small hand gesture, by how you look at them they may smile and cry
We the fans are like that
The girl who got into the accident probably feels the same
And those who sent the threatening mails probably feel the same also
They did not mean to put you in an hard and awkward situation

Because
they like you
very very much

The studio is in crisis because you are gone, I heard.
And people are thinking you are hiding.
That s not correct r ght ?
But
If you are afra d I w ll go with you

As a representative of all fans
You do make me relaxed
I am glad I came here to meet you

Wa
Wa
I have a favor to ask
Would you do a favor for me ?
What is it ?
I will even get a star in the sky for you
Kkyack
I am sooo sleepy

I have slept only 5 hours for past 3 days
Wake me up when the class bell r ngs
Ok I w ll
He Ra
Yeah ?

JS
Thanks..
Pll Llp !!
Where have you been ?!
Sure thing

JS
Do you know how serious this mattter has become because your fans sent threats to the victim ?
I am sorry
The fans behave just like the singer
It just amazes me how a s nger I ke you stay on top
Will you shut up Hyeong M n Jo ?
It s all because you are so ndec s ve
Ignore him.

A s nger should act l ke one
The fault ' s on you It s because you are crap
What ?!
Weren't you on-g nally an actor ?
Jun Yeong Seo
(Our second hero ne)
Because of her mann sh appearance her popularity from g rls s as h gh as male performer s

What did you say ?!
Do you know that it's so hard to figure whether you are a girl or a boy ?!
What d d you say ?
What are you guys doing ?!
We are almost ready to go !!
scoff

JS
Thanks.

JS

꾹
No. Pil Lip
Don't approach them
Everyone
Please be quiet
You are interfering with the recording
Pil Lip !!
Ah !

Hey, stop that...!
He's bleeding
His skin is torn
He can't be hurt now
Hide it somehow
He's bleeding I can't use makeup to cover it
I can't
I can't take this
I am sick of this.

JS
They probably didn't mean to.
No way would they want to harm you.
By your small gesture,
they may smile and cry accordingly
Because they

They like you
very very much.
Ah

Pil Lip, raise your head.
I've got it now
What ?
The bleeding finally stopped.
The reason why I feel relaxed with her
And why I like her

I am go ng to

You are gonna have bad teeth !
